## **Wylie Police Officers to be Tased During Training**

**WHAT:** Wylie Police Officers are currently in the process of training and certifying on the use of the X26 TASER Electronic Control Device (ECD). As part of the training, officers volunteer to be tased. The final day of training and volunteer tasing will take place on Friday, January 24.

During the three day training, instructors are educating officers on how to maintain, operate, and educate other officers on the use of the TASER. The certification process includes reviewing department policy, inner workings of the X26 TASER ECD, and scenario training.

**WHEN:** Friday, January 25, 2013  
9:30 am – 10:00 am

**WHO:** Wylie Police Department Officers

**WHERE:** Wylie Recreation Center  
300 Country Club Road, #200  
Wylie, Texas 75098
